

JUNIOR GOLF

A very successful Summer program is in full swing, 30 aspiring Junior Golfers have signed up enjoying and learning all about golf from their instructional leader, Bob Kotowski and his able crew. TIP FOR THE MONTH:

What I do is to take good ideas that I hear & read about and carry them from place to place. If thoughts come into my mind that I have not heard or read, I may suppose that they could be original and never spoken or written about before. This is highly improbable.
