**It is inspiring to note here and to thank the Freas Family for continuing to support each year this event in honoring our friend, Gema. Thank you Wayne for the beginning of this honor to Gema and to Wayne Jr. and Wife Sally who travelled each of the past 3 years from North Carolina to be with us and to contribute each visit a \$500. gift to our Junior Association to honor Mom.**

**Thank You**

**A super BBQ was served everyone during the awards luncheon after the golf. 40+ attended. The Chef offered hamburgers, hot dogs with all the trimmings and it was great. Thanks to the entire VCC Staff for all of their efforts in making this such a great event.**

**TIP FOR THE MONTH:**

There's a huge difference between showing up, playing, having fun and doing well, and really playing to win. It's an entirely different mind-set. It's not a physical thing. It has nothing to do with athletics. It has to do with attitude.
