

New Member Invitation to the VCC Men's Association

All adult male members of the Village Country Club are invited to join the Men's Association. The purpose of the Men's Association is to pursue the best interests of the membership concerning the use of the Club's golf facilities.

Some of the services provided by the Men's Association are:

- **Schedule and administer golf tournaments for its members. There are nine monthly mixers and three major tournaments (The Presidents Cup, The Thomas Mackie Member-Guest Invitational and Club Championship).**
- **Monitor and maintain current handicaps for all members through the Southern California Golf Association (SCGA).**
- **Sponsor annual Team Play.**
- **Support the daily toss-up activities. Toss-ups are unique to the VCC and offer the new member an opportunity to meet other golfers. Just show up at the designated time and you will be put in a foursome.**
- **Provide hole-in-one awards for its members**
- **Represent the Men's Association on the Golf Course Committee.**

The annual membership dues including the SCGA handicap fee are:

- **Regular membership - \$60.00**
- **Transfer membership - \$45.00 (transfer from another SCGA associated club)**
- **Multi-club membership – \$45.00 (addition of VCC Men's Association while remaining a member of another SCGA associated club)**
- **Junior membership - \$10.00 (male family members under the age of 18 may have an SCGA handicap, but may not participate in Men's Association activities)**

Prospective members should obtain an application from the Pro-Shop. Fill it out and return it with dues to the Pro Shop.

Any questions can be answered by the Pro Shop staff at 733-3537.
